

# EVEKTOR-AEROTECHNIK NEWSLETTER FOR AUTHORIZED SALES REPRESENTATIVES

August / 2009

Dear Evektor aircraft Owner,

We are submitting you here the latest news about the Evektor's products:

## **EUROSTAR SL NOW WITH INCREASED RANGE UP TO 920 KM**

The EuroStar SL is now available with extended range up to 920 km. Redesigned fuselage tank has 80 l fuel capacity and enable about 170 km longer range. The long range fuel tank is available as an option for 250 EUR retail price. The baggage compartment volume is slightly reduced due to increased tank.

## **NEW COMFORT SEATS FOR EUROSTAR SL / SLW AND SPORTSTAR MAX**

The new comfort seats are available for the EuroStar SL/SLW and SportStar MAX. Seats have higher backrest with integrated head support, slot for seat belt guidance and higher thigh bolster. The backrest is foldable for easy access to baggage compartment. New comfort seats are available as an option for 850 EUR retail price. This option is available also as retrofit for previous EV-97 EuroStar, model 2000, model 2000R and SportStar versions.

## **INSTALLATION OF ROTAX 914 UL TURBO (115 HP)**

The EuroStar SL/SLW and SportStar MAX can be equipped with the Rotax 914 UL turbocharged engine. This option is interesting mainly for customers operating their aircraft in mountainous and hot areas with higher airport altitudes. Retail price of Rotax 914 UL installation is 10.700 EUR. Weight difference to R912 ULS engine is 9,4 kg, engine TBO is 1.200 hours. For information on delivery date please contact us directly.

## **REBUILDING OF PREVIOUS MODELS ON THE NEW EUROSTAR SL / SPORTSTAR MAX**

Customers operating the EV-97 Eurostar, model 1999, 2000 and 2000R and customers operating all SportStar models have now possibility to upgrade their aircraft on the latest EuroStar SL or SportStar MAX models by Evektor-Aerotechnik. Price for this upgrade is 13.225 EUR EX-Works.

## **EUROSTAR SL / SPORTSTAR MAX QUICK BUILD KIT UPDATE**

In order to make aircraft assembly from Quick Build Kit even easier the Kit will be supplied with complete composite part incl. full canopy already attached on the fuselage.

We look forward to our further cooperation and remain with best regards,
